

# AAMI Launches Its Crosswalk Program

With a 90-YEAR HISTORY in funeral service education, AAMI is proud to introduce its **customized Crosswalk Program** that provides EDUCATION and TRAINING for **92Ms**, to enhance the knowledge and skills related to their work in Mortuary Affairs.

The Crosswalk Program **is also available** to all other **active duty service members, Reserves and members of the National Guard.**

The Crosswalk Program will provide all service members improved comprehension and appreciation of death and grief.

The Crosswalk Program represents **an ideal introduction to the world of Funeral Service** and gives all service members a strong opportunity to consider a career in funeral service.

Funeral Service **offers employment opportunities to qualified individuals in a time-honored vocation.** Opportunities potentially exist all across the U.S. It is possible to use a variety of special skills in such areas as funeral service planning, public relations and many facets of business management.

Crosswalk is an **online academic program** made up of 5 courses totaling 9 credits. The Crosswalk Program will take 24 weeks to complete. Credits successfully completed in the Crosswalk Program will **count towards the completion of the AAMI Associate Degree** for those who choose to enroll. For Active Duty students using Tuition Assistance, or the GI BILL 1606 the **cost of the courses is \$250 per credit hour.**
