Policies and procedures regarding the reporting and monitoring of on-campus crimes and/or emergencies, campus law enforcement, and the type and frequency of student informational programs are published in the Campus Security Manual (located in both the Institute’s Library and its Administrative Offices) and are available for review upon request.

The U.S Department of Education requires that the Institute provide information about the success rate of both its educational programs and its campus security statistics. Prior to a student’s enrollment in the Institute, this disclosure form must be signed by the prospective student and returned to the Institute.

I the undersigned have read and understand all of the information provided above.
