

Diane Noble Kasler

Kasler Academic Solutions LLC

Education

Graduate S.U.N.Y. @ Albany, B.A. in Labor and Industrial Relations, (studied liberal arts, science and economics)

Staten Island EMT –I have been a N.Y.S EMT for 20 years. I took Continuing Medical Education courses in OSHA compliance and Administration. Currently taking update classes for all changes in protocols in the field.

Professional

Office Manager

1980- 2000 * Fred Herbst Funeral Home, Brooklyn, N.Y. I kept personnel records as well as OSHA forms for all training done onsite and off. I handled all phases of funeral home administration.

Teacher

2001 –present* I have taught in all levels of education from preschool through college. I extensively taught Life Science in a NYC Public Jr High School.

N.Y.S. Emergency Medical Technician

From 1996 to Present * BRAVO Volunteer Ambulance, EMT. I have been working in a volunteer agency connected to the NYC 911 system. I receive frequent in house training through a state of the art Training and Safety Department. Our training includes OSHA compliance and protocol updates. We regularly receive study and sign off on all updates and new protocols.

Instructor

Since 2009* I have been part of the teaching staff of American Academy McAllister Institute of Funeral Service. I teach on campus, Associates Degree program.
